

IMPACT 100 Series

Elevate your conversation

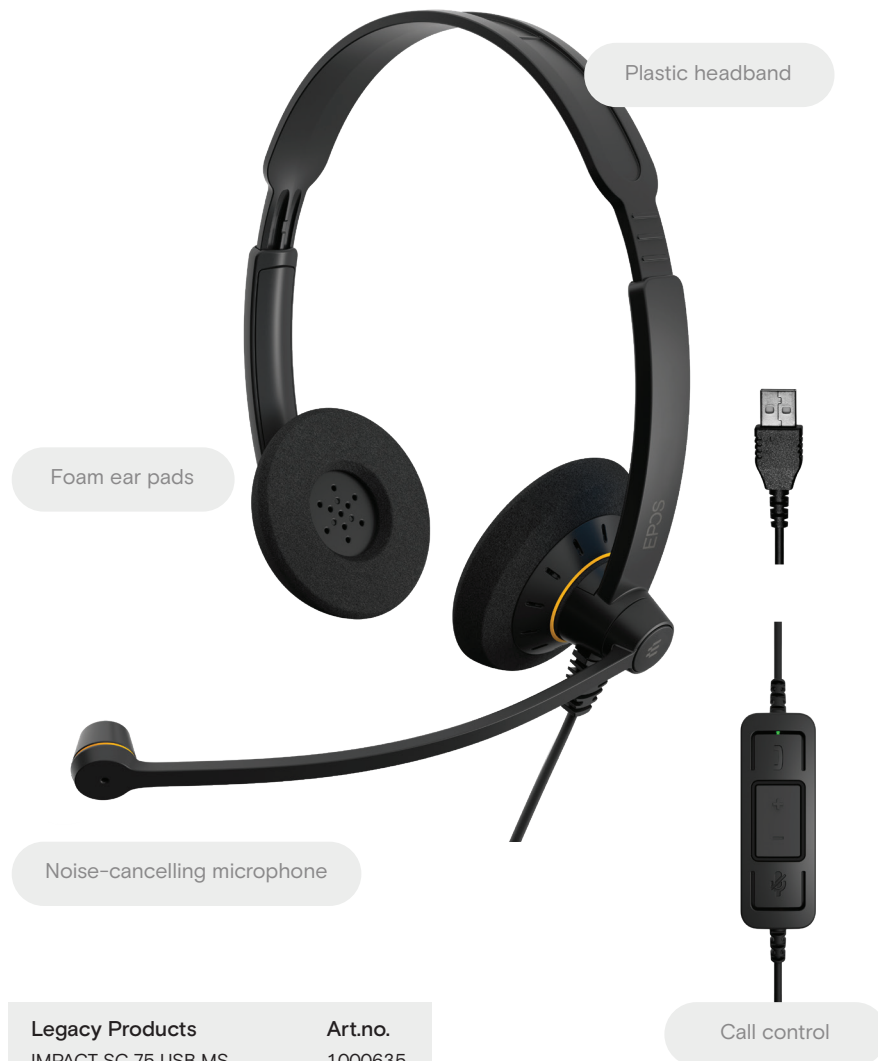

The IMPACT 100 is an entry-level headset that delivers exceptional value for money. With smart features that enhance efficiency and an ultra-lightweight design, it is an ideal headset for talk-heavy professionals.

- ✓ Professional quality and affordable, Microsoft Teams and UC certified headsets
- ✓ High-quality materials and robust design guarantee durability for daily use
- ✓ The lightest stereo headset in its category, featuring a soft silicone headband
- ✓ Connect easily with any office set-up with the included USB-C and USB-A adapter
- ✓ In-line controller with backlit buttons for effortless call control
